GARGOYLES

TRADING CARDS

DOWN

Sundown approaches. It is time. A web of cracks stitch across the stone surface of a leering statue. The stone powders and explodes. From the debris emerge *Gargoyles*. Stone by day, fearsome flesh and blood creatures by night—these winged warriors battle modern day barbarians.

Dark. Foreboding. And menacing. *Gargoyles* is set against the backdrop of New York City's night. The first dramatic action series from Disney Television Animation premieres in syndication this fall.

Helped Tim with speech. Told him to pick a topic he enjoys. Tim picked mountain bikes. We had a bowl of my delicious cereal. Sent blue suit to cleaners.

Tim's speech is getting better. Got him to imagine his audience in their underwear so he wouldn't be so nervous. Brought Tim 2 more boxes of crunch. He loves that sweet crunchy taste!

Tim can't wait to give speech. Maybe all he needed was to Crunch up his confidence. Cleaned my room. Have to stop eating my cereal in bed. Tim's speech was terrific! Got the whole class to do it. Weekend! Time to go to national speed boat races!

You and the Cap'n make it happen!
